

Help Me Help My Child!

- Are you worried about your child's speech and/or motor skills?
- Are you concerned that your child is developmentally delayed?

This event is to help caregivers of children 0-5 years of age (infants, toddlers, and elementary age) learn how to get the state services they need for therapies and/or educational supports.

FDLRS will also provide information and resources for school-aged children.

Join us virtually to learn more!

Tuesday, November 9th, 2021 from 6:00 p.m. to 7:30 p.m.

Registration Link: <https://bit.ly/2SQuBC4>

Presented by:
